

## Google Hangouts – Resource Guide

**Overview:** “Hangouts bring conversations to life with photos, emoji, and even group video calls for free. Connect with friends across computers, Android, and Apple devices.”

(<https://hangouts.google.com/>)

**Details:** Free for anyone but requires a Google Account. Hangouts using personal Google Accounts can accommodate 10 people on a video call, or up to 150 in a non-video group conversation. G Suite, formerly Google for Business, allows hosting of up to 25 people outside your organization along with other Google products for \$5-\$10 a month or contact them about enterprise pricing.
