

Skype – Resource Guide

Overview: “Skype is an instant messaging app that provides online text message and video chat services. Skype allows video conference calls.” (<https://www.skype.com/en/>)

Details: Free group video chat or conference call for up to 25 people. Adding people who have Skype is free. To add people who aren't on Skype, call them on their mobile or landline number with Skype Credit or a subscription (Calling Rates - <https://secure.skype.com/en/calling-rates>). Free online meetings for up to 10 people without a subscription in Skype for Business, part of the Office 365 Suite (<https://www.skype.com/en/business/>).

Learning & Support: Getting Started, Calling, Video, Accounts and payments, Messaging, and Everything else: <https://support.skype.com/en/skype/>
